This dish is dedicated to the memory of **Noa Zander** (22,5y.o.), from Rishon LeZion. Noa loved life and lived it to the fullest. She devoted herself to helping others, respected everyone for who they were, and left a legacy of kindness and compassion. After completing her military service, she traveled abroad and stayed with us, where she fell in love with our couscous and Sabress meatballs. On October 7, 2023, Noa was murdered during the attack near Kibbutz Re'im. We honor her memory by keeping her favorite dish on our menu. May her light continue to shine forever.
